

## **How to Get involved?**

**If you're keen to support Unnati with your time, here are three simple steps to help you get started:**

- 1.Fill out our Volunteer Registration Form with your email ID
- 2.Our team will connect with you to understand your interests
- 3.Begin your journey at Unnati!

### **Areas of contribution:**

- 1.Training & Mentoring Youth – Equipping them with skills, confidence, and workplace readiness
- 2.Digital Marketing & Outreach – Expanding our reach and voice online
- 3.Storytelling & Content – Writing alumni success stories, sharing your experience on social media, and helping us with high-quality content for our alumni network
- 4.Community & Employer Engagement – Building momentum among MSMEs across the country to generate local job opportunities for youth
- 5.Changemaker Mentorship – Guiding our youth-led groups to become strong leaders and contributors
- 6.Internships – Offering students meaningful learning opportunities while contributing to Unnati's mission. Students will receive certificates upon successful completion of the internships. Our goal is to provide a valuable experience by interacting with students in the program
- 7.Corporate Volunteering – Employees can join specially designed team programs (2–4 hours) to contribute while strengthening team spirit
- 8.Research & Analysis – Helping us study data, conduct reviews, and prepare insightful reports
- 9.Capacity Building – Mentoring our staff to hone their skills and effectiveness
- 10.Social media management - Helping us in networking through social media, improving our content, sharing our details on their social media, spreading the word etc..
